Items of Business

A. Discuss Unexpected Requirements by Union County for Park Driveway

Jerry Clontz informed the committee that Union County will require the Town to relocate the 8" water line in the path of the NCDOT required turn lane. Mr. Clontz and the committee discussed various options regarding both the NCDOT required turn lane and relocating the water line.

One option would be to make the park entrance on Highway 218 instead of Highway 601 and with this option NCDOT may also require a turn lane. This option would require purchasing property on Highway 218 for an easement into the park property as well as purchasing additional property from the Haiglers.

Another option is for Mr. Clontz to continue to pursue eliminating the turn lane on Highway 601 altogether. Mr. Clontz stated that Jeff Ashbaugh, Alfred Benesch & Co. is going to provide him with a contact at NCDOT to further discuss the Highway 601 turn lane. Mr. Clontz asked the committee if they had any objection to him pursuing this avenue. B.B. Haigler made a motion to approve Jerry Clontz contact NCDOT to discuss the Highway 601 turn lane. Sharon Smith seconded the motion. Members Clontz, Haigler and Smith voted yes (3-0).

B. Minutes

B.B. Haigler made a motion to approve the minutes of the November 5, 2015 regular meeting. Sharon Smith seconded the motion. Members Clontz, Haigler and Smith voted yes (3-0).

Committee Comments

Jerry Clontz asked the Clerk to email all members of the Park & Rec committee regarding their preference about keeping the same meeting night (1st Thursday of the month) or picking a different night of the month to meet.

Sharon Smith made the motion to adjourn. B.B. Haigler seconded the motion. Members Clontz, Haigler, and Smith voted yes (3-0).

Respectfully submitted,
