**Section 180J Home Occupations**

In order to be regarded as having an insignificantly adverse impact on the surrounding neighborhood, a Home Occupation must comply with the following regulations:

- (a) Only one home occupation per dwelling unit allowed.
- (b) No goods, stock in trade, or other commodities may be displayed outside a fully enclosed structure,

(c) No on premises retail sales of goods not produced on site may occur,

(d) No more than two persons not a resident on the premises may be employed in connection with the purported home occupation,

(e) The use may not create objectionable noise, fumes, odor, dust or electrical Interference,

(f) Not more than twenty five percent of the total gross floor area of residential buildings plus other buildings housing the purported home occupation, or more than 1,000 square feet of gross floor area (whichever is less), may be used for home occupation purposes, and

(g) Only vehicles used primarily as passenger vehicles may be used in connection with the home occupation.

By signing below, I certify that I have read the above Section 180J Home Occupations information.
