B. Recap 2018 Fall Festival

The Committee discussed the festival and made the following suggestions for the 2019 festival:

- Purchase an additional banner each year
- Add craft vendors and food vendors list to advertising flyers
- Change out some of the kid's activities from year to year and not have the exact same ones all of the time
- Work on some activities for kids 10 – 13 years old
- Find a location for passports to be given out so that no children are missed OR put passports at all activity locations
- Keep food vendors to no more than 5
- Possibly start decorating earlier than Friday
- Figure out how to attract more volunteers

Chairman Thomas noted that the Town of Midland has graciously said Fairview can keep and use the stage if we would like to, but they are not interested in selling the stage at this time. She also stated that the entertainers all agreed that they would be willing to come back in 2019.

C. Recap 2018 Winter Festival

The Committee discussed the festival and made the following suggestions for the 2019 festival:

- If using area around the pond would suggest having lighting or possibly starting festival earlier to take advantage of daylight
- Have all activities in a smaller area

D. Additional Events

Chairman Thomas opened a discussion regarding several additional events for the Committee to discuss: movie nights, music nights or Easter egg hunt.
